

Math: continue working on the math site: **iknowit.com** (found in the web link section). You can also work in your math journal and you can **ALWAYS** work on your adding, multiplying and subtraction facts!

Here are some activities from the Math Leads at ASD-N.

ASD-N 3-5 Numeracy Project - Week 2 June 2020

Camp Mathematician!

Use your Math skills to prepare for camping fun!

Task 1: Tomorrow will be Sports Day! The day will start at 9:00 am. You will spend 20 minutes at every competitive station and 25 minutes at every fun station. Lunch will be 60 minutes. If there are 7 competitive stations and 2 fun stations, what time will Sports Day be over?

Task 2: It's lunch time! Here is the canteen menu. You have \$10.00 to spend for lunch. What will you buy? How much will it cost? How much change will you get back?

Canteen Menu

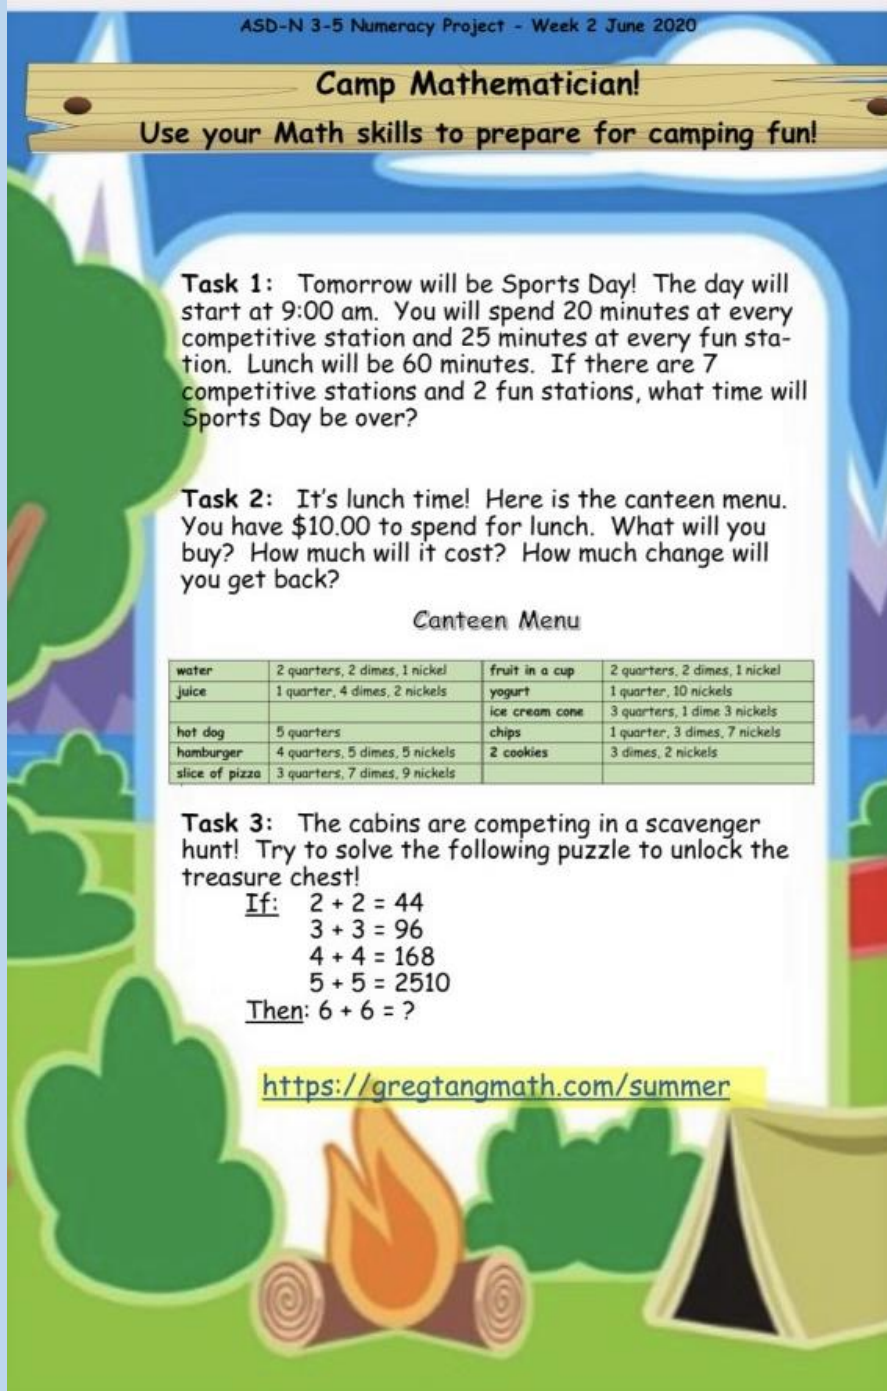

water	2 quarters, 2 dimes, 1 nickel	fruit in a cup	2 quarters, 2 dimes, 1 nickel
juice	1 quarter, 4 dimes, 2 nickels	yogurt	1 quarter, 10 nickels
		ice cream cone	3 quarters, 1 dime 3 nickels
hot dog	5 quarters	chips	1 quarter, 3 dimes, 7 nickels
hamburger	4 quarters, 5 dimes, 5 nickels	2 cookies	3 dimes, 2 nickels
slice of pizza	3 quarters, 7 dimes, 9 nickels		

Task 3: The cabins are competing in a scavenger hunt! Try to solve the following puzzle to unlock the treasure chest!

If: $2 + 2 = 44$
 $3 + 3 = 96$
 $4 + 4 = 168$
 $5 + 5 = 2510$

Then: $6 + 6 = ?$

Literacy:

Reading: Please remember that it is important to **read every day for at least 20 minutes.** This would be a good idea to continue doing throughout the summer.

Writing: We began our Home Learning with a letter and I think it would be nice to end it the same way.

I would love to receive another letter from you!!! Let me know what you have been up to. Do you have any plans for the summer? I would really like to know. You can type it to me via email and send a photo! I cannot wait to read them!!!

Also, if you get a chance, find your time capsule and look for the very first page that we did that you answered about your favorite things and see if you have changed over the years.

And don't forget DOUG! <https://mysteryscience.com/mini-lessons/red-mars?loc=mini-lesson-button#slide-id-5363>

A Big Happy Birthday goes out to Suzy on June 22!

Also celebrating a birthday this summer are Rissa and Mason in August. Hope you all have a great day!

You can always reach me by email if you have any questions:
nancy.hambrook@nbed.nb.ca

Take care and have an awesome week and a fantastic summer!
