

Home Learning- Friday, January 14, 2022

Warm Up: Using the template in home learning packet, write the date, the weather, and the season with a white board marker. Don't forget to say it out loud 😊

Literacy

Words: écouter, neige, personne, plaisir, froid, très, jusqu'à, besoin, enfant, lorsque (**these are a review of words that were done before Christmas)

- Practice writing and reading the words of the week. Write the words using rainbow writing.
- Write 2 sentences using the words of the week

Sound: Eugénie Émeu- "eu"

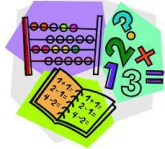

Song on Microsoft Teams

Can you find the "eu's" in the song? A copy of a poem has been uploaded to the Microsoft Teams page.

Reading : Je lis, je lis, littérature ! [ONLINE \(rkpublishing.com\)](https://www.rkpublishing.com)

Books have been assigned to each student on the Je lis! Website. Each book should be read multiple times throughout the week. Please work on things like fluency, expression, and volume. If you feel you are ready, you can record yourself reading and I will listen to it 😊

Math

- Play Zorbis Math for 20 minutes.
- Practice putting numbers in order from smallest to biggest (ordre croissant). Use a deck of cards and take out the 10, J, Q, and K. Flip 2 cards to make a number (ex: flip 3 and 6 number is 36). Make 6 numbers and then put them in order.
- In your home learning packet, please find the math worksheet "Le nombre du jour 56"
 - Your child knows what to do as we have done these in class – represent the number in as many ways as possible (tally marks, dice, base ten, ten frames, words, 2 numbers before and 2 numbers after)
 - Please remind your child to draw the number using base 10 blocks on the back (dizaines et unités)
 - Write 2 addition sentences that equal 56
 - Write 2 subtraction sentences that equal 56

** If you did not receive your home learning packet yet you can do this activity on a sheet of paper.

**Exploration,
Art,
You and
Your World**

In your home learning packet, there is a 'virelangue' : Je vois trois amis très triste dans un traîneau pendant la tempête.
- Watch the short video of me reading the 'virelangue' then try reading it yourself. How fast can you read it?
- Draw and colour a picture in the space on the sheet of what the 'virelanuge' says.
*If you did not receive your home learning packet yet, you can do the above activity on a blank piece of paper.

Help with household chores, get some exercise, draw or colour, and take some time to play!

Visit Ms. McFarlane's Teacher Page for some Phys. Ed. Ideas 😊
