

King Street Elementary
Grade 4/5 – Keenan & Richardson

Home Learning—May 25th-May 29th

Two weeks left girls and boys, the countdown is on! The bugs are out if full force and it is making it hard to get outside these last few days. Mrs. Richardson was busy replanting strawberry bushes (and getting eaten alive by blackflies) and buying a pool for her 3 kiddos!! Mrs. Keenan was busy painting her front step and getting in her pool with her kids! We are going to slow things down a little this week. We are focusing on Literacy and Math only. Have a great week. ☺

Literacy

Curriculum connection/learning goals:

1. Students will be expected to select, read, and view with understanding a range of literature, information, media, and visual texts.
2. Students will be expected to create texts collaboratively and independently, using a variety of forms for a range of audiences and purposes.
3. Students will use the conventions of written language.

Reading	Writing	Word Work
<p>1) Please visit the Raz-Kids website. https://www.raz-kids.com/ Click the “Kids Login” (Green Button).</p> <p>You each have 2 new fiction books assigned for this week. Please remember to do the quizzes!</p> <p>Username for grade 5 students is 5Keenan Usersname for grade 4 students is Natalie2020 Password: grade5 (for everyone)</p> <p>2) Silent reading for 20 minutes daily.</p>	<p>Every year we have our grade 5 students write letters to the future grade 5 students (AKA current grade 4 students). Your child would have received one at the beginning of this year.</p> <p>We keep the letters over the summer and we give it to the new grade 5 students on the first day of school.</p> <p>The letter would have things like:</p> <ul style="list-style-type: none"> • what to expect in grade 5 • what to expect with Mrs. Keenan or Mme Richardson (and how to stay in their good graces)!! • what some of the perks of being in grade 5 are • talk about being in leadership • talk about being a peer helper • what the work is like • what homework looks like <p>They can either type up the letter and email it to us or write it out and we will get it at the end of the school year (which is in two weeks).</p>	<p>We will email a new booklet to everyone. Please let us know if you did not receive it!</p>

Math

Study your math facts.

- 1.) Review 10 facts that you do not quite know yet. Get someone in your family to quiz you.
Challenge: Answer 15 questions and set a 2 minute timer for your quiz!
- 2.) Here is a great interactive website that helps students learn long division. It has practice questions as they go as well. Check it out.
<https://www.free-training-tutorial.com/long-division-games.html>

French

Students are now signed up for a French Reading site called Je Lis. Each student has an individual login name and password for each student. Please send Mme Richardson a private message to get access to this. The website is <https://jelisfree.rkpublishing.com/student> if you would like to check it out.

STAY ACTIVE STAY CONNECTED STAY SAFE

Keep checking out Mr. Noel and Mr. Williston's Teacher page!!
