

Week 3: April 20th- April 24th, 2020.

Math (30 min a day)

Online resources (15-20 min)

Grade 5's continue to practice long divisions and multiplications facts.
Grade 4's you must practice your basic multiplication facts and divisions.
Ex; $4 \times 3 = 12$ $12/3 = 4$

Websites for 4/5

<https://www.abcya.com>

https://www.education.com/games/division/?referral_url=kidsnumbers.com

<http://www.fun4thebrain.com/mult.html>

<https://www.multiplication.com/games/all-games>

<https://www.education.com/worksheets/>

copy and paste this website and push enter. You can print math sheets if you have a printer. If you are not able to print, like me, you can do the work on a separate piece of paper. 😊

<https://www.myhomeschoolmath.com/Worksheets/Tangram-Animals.pdf>

This is a fun activity if you have a printer at home or if you want to draw shapes and cut them out yourself.

Literacy (30 min a day)

Reading (10-15 min)

English and French Reading

1. Reading website : <https://jelis-free.rkpublishing.com/student>

-Choose a book at your level, if it's too difficult go down a level. Go up a level if it's too easy.

-Listen to the book, then read the book twice (for fluency). Retell the story to someone at home, if possible.

*This is an online reading resource. It will read the book for you.

Please read along.

-Please email me if you did not get a username and password.

mona.glazier@nbed.nb.ca

2. <https://www.raz-kids.com/>

-Click on kids login. Teacher username is monaglazier (one word)

-Your username is your first name and for the password, click on the bunny. (There are math games and books you can read in this website)

	<p>3. Listen to a French story on TumbleBooks. Retell the story in French or talk about your favorite part of the story. This is an online reading resource. It will read the book for you. Please read along. https://www.tumblebooks.com/</p> <ul style="list-style-type: none"> ○ Username: nlib Password: nbschools <p>4. Here is another free website where various fables are read to you. You can click on the language either English or French. Enjoy! https://www.thefablecottage.com/</p>
<p>Word work (10-15 min)</p> 	<p>Word work: Etude de mots...to be continued every week Choose 5-10 words from the list in the photo gallery. These will be the words until the end of June. Choose an activity we practice in class. Don't forget the list is in my photo gallery</p> <p>Ex. Mots graffitis, locomotive, différentes couleurs, autour d'une forme, tic-tac-mot, lettre magnétique, etc. You can practice these words however you want. On computer, paper, play doh, whatever works best for you.</p>
<p>Writing (15-20 min)</p> 	<p>Write about what you did last week and email me a picture of you reading or writing it. I will then post it on my Teacher Page at the end of the week. Here is what I did last week!</p> <p>La semaine passée, j'ai joué dehors avec mes enfants. On a eu beaucoup de plaisir! Nous avons conduit nos bicyclettes, écrit sur le pavé avec de la craie et jouer dans le parc en arrière de ma maison. Quel plaisir d'être dehors! J'ai aussi fait des biscuits au chocolat. Mmm! C'était tellement délicieux! J'adore le chocolat!</p> <p>De plus, j'ai fait du yoga et je suis allée marcher avec mes enfants en bas de ma rue. Nous avons vu 2 canards près de la rivière Miramichi. C'est très important de faire de l'exercice et de bouger notre corps. Est-ce que tu as fait de l'exercice la semaine passée?</p> <p>Pour finir, je m'assure de faire une activité plaisante à la maison avec ma famille et de penser positif. Je manque beaucoup mes élèves de King St. et ma salle de classe, mais je sais qu'on va se revoir un autre jour.</p>

	<p>De Mme Glazier 😊</p>
<p>Speaking / Listening</p> 	<ul style="list-style-type: none"> - Talk to a classmate or family member on the phone or someone at home in French. - Watch television or YouTube videos in French.
<p>Other Activities</p>	
<p>Other activities that can be done throughout the week</p> 	<ul style="list-style-type: none"> - https://www.gonoodle.com/ - https://www.cosmickids.com/ - https://jr.brainpop.com/health/feelings/mindfulness/ - https://jr.brainpop.com/health/bewell/washinghands/ - Card games - Boardgames - Puzzles - Building (Lego, blocks, etc.) - Baking and measuring <p>I will be sending out a challenge every week for parents to send me a picture of your child. I will then post it on my Teacher Page at the end of each week. Every week will be different. Stay tuned!</p>
