To participate in this initiative, see the link on **King Street Elementary** webpage (<http://kse.nbed.nb.ca>), **Anglophone School District – North** website and the information on my **Teacher Page** under *Notes*, title: **Virtual Olympics**. Have fun competing in this activity! When spending time outdoors, remember to wear sunscreen! I would love to see pictures!

I will book you in one of the time slots and send you an email indicating when your individual session will be held along with the agenda. If these times are not good for you, send me an email with times during the white spaces on the calendar. I will reply with a time slot.

Please do not forget that with Microsoft Teams you have access to a student email. I walked you through the process to activate your email. Remember to follow the information provided to change your password. The change in password will *secure* your account. If you need assistance with changing your password, send me an email, everyone needs a secure account!
