

Microsoft Team

1st group meeting

Date: Friday, May 8th, 2020

Time: 11:00am or 1:00 pm

Bonjour les amis de 5e année,

Nous tiendrons notre première réunion en grand groupe le vendredi 8 mai 2020. Je signerai à la page de l'équipe à 11 h et à 13 h. La décision d'avoir deux séances a été prise pour donner aux étudiants le choix du temps de se joindre à la séance de groupe.

We will have our first large group meeting on **Friday, May 8, 2020**. I will be signing on to the Team Page at **11:00 am** and again at **1:00 pm**. The decision to have two sessions was made to give students a choice of time to join the group session. (I will actually sign on *10 minutes before* each session to begin with students at the hour indicated.)

- On Friday, you can sign in to the Teams Page at the time of choice, **11:00 am or 1:00 pm**.
- I will see that you have signed in and will invite you in to the meeting. You can have the choice to turn your **camera on or off**. Turning cameras off will mean that classmates will not be able to see you, and that is fine as we do not all like to be on camera.
- When you first join, your **mic** can be on, but I will be asking to turn all mics *off* when I begin to avoid feedback.
- Please see Agenda.

Please remember that this platform, Microsoft Teams, is an option for Home Learning opportunities. If you opt out, I will respect your choice. We can discuss other options for those who decide not to join.

Forward any questions / concerns to my email: colleen.wilt@nbed.nb.ca

We will get through and learn this together!
