

King Street Elementary School

Kindergarten Home Learning Activities November 1-5

Draw a picture of some of your favorite treats from Halloween night. Can you label the items in your picture?	Practice printing your name. Work on using an uppercase letter at the start and the rest in lowercase. Can you name all the letters in your name?	Make some letters using playdoh or go outside and use sticks.	Practice identifying the beginning sound in words. What is the beginning sound in "dog"? hen? cat? What words do you know that have the same middle sound? Try making a list.
Write the numbers 1-10 on sticky notes and have someone hide them around the house. Go collect the sticky notes, then put the numbers in order!	Make a pattern with items you find in your house. Go outside and make patterns with leaves, sticks, rocks, etc.	Play a game of Number After: Someone says a number and you have to say what number comes after as fast as you can!	Making sets of "five": Make a set of five using things around your house such as your toys, books, shoes, pillows, etc.

- Continue to practice naming your letters, sounds and numbers 0-10.
- Continue to practice your sight words.
- Continue to read and be read to each day.

- Explore **Squiggle Park**. If you need help with your login, please email your teacher.
- Explore **Splash Math** or **Zorbit's Math**. If you need help with your login, please email your teacher.
