

Good morning, Grade One Families!

Here is the Lesson Plan- Friday, November 12, 2021

Soft Start (this is how we begin our day at school). Choose an activity

- Coloring
- Building
- A walk outside
- Help cook breakfast

Read one of the books selected for you in Epic books. Try the little quiz at the end if there is one. Not all of the books come with each book.

Sight Word Challenge: Set the timer for 2 min. See how many sight words you can print correctly on a piece of paper.

Review your sight words - Start with Level A words see how many words you can say correctly. Once you get 5 incorrect, stop. Set those 5 words aside as the ones you should work on next week.

Play a Math Game with someone!! There are lots to pick from in your green duo tang or from the learning pack. Have a game of **Crazy 8's or 7 up!** Crazy 8's will help you with skip counting by five's and 10's! 7 up will help you with counting in order and number recognition! Or even better, change 7 up to 10 up!

Login to **Zorbis Math** and work on completing your assignments

Login to **Squiggle Park** and work on the activities for 15 minutes

Lunch

Art

Let's Learn about the Famous Artist Pablo Picasso and Cubism! **Cubism** is a style of art which aims to show all of the possible viewpoints of a person or an object all at once. It is called Cubism because the items represented in the artworks look like they are made out of cubes and other geometrical shapes. Watch this video from Brain Pop Jr. to learn more about him then try one the art activities below!

<https://www.youtube.com/watch?v=MYCoAioW6S8>

Color a cubist autumn tree

Play with color in this whimsical project. The tree trunk is made of a piece of black construction paper, but if you don't have any on hand, simply color it black instead. Click on the link for the tutorial!

<http://krokotak.com/2017/09/cubism-autumn/>

Or try this art idea. Only paper and the colouring tool of your choice is required!
😊 !
