

Hello Grade One Families!

Today is Wednesday January 19<sup>th</sup> and we are into our 3 day of Week 2 of our home learning packet!

Today, in for home learning you will find the following sheets to complete: CVC Read, Find, & Color, 3D Shapes, Draw a Cat and Write!, Doubles Dash and Make 10 are 2 new math games you can try out!

**Please** do not forget to read your levelled books every day and review your sight words. Also, make sure you keep your books in safe place, so that you can return them to school when we are back together in person, as these books belong to the school.

I hope you all have a nice day!

Love,

Miss Gallant ♥
